except for "Surabaya Johnny." Lyrics by Berthold Brecht
music by Pugh Rogefeldt

All songs published by Multitone A.B.

Recorded on 2, 3, 9 and 10 June 1969 at Metronome Studio

Engineer: Michael B. Tretow

Produced by: Anders Burman

Album design: Stig Söderqvist

Photography: Lennart Wernström and Leif Helde

Translations: Anne Britt Elve, Lars Tennander and Turid Lundqvist

When Anders Burman walked into our offices with Pugh's Album, I didn't know what to think of it. I felt that one of the biggest Swedish Rock Albums must have something to it. After learning more definite things about the group and listening to it numerous times, I finally understood Pugh. It's hard to relate to something that is completely different in structure than anything you have listened to before. The important thing is that music is there and it's fresh.
