PROGRAM

Dear Customer,

We are excited to introduce our brand-new Guitar Parts Catalogue! At TMA, we've proudly been providing guitar enthusiasts with top-quality parts, tools, lacquers/glues, and various supplies for a while now. But guess what? We've expanded! Our dedication to excellence has driven us to continuously broaden our product range. We've added exciting new items, renowned brands, and more options than ever before.

This catalogue is a showcase of all these things, and it's grown considerably in size compared to our 2019 edition. We've included everything from mid 2023, but we're not stopping. As always, we're adding new products; so remember to check our website, in particular the 'new products' section.

Finally, we'd like to mention, we really like hearing from you. If you've got ideas about things you'd like to see us offer or suggestions for expansion, we're all ears! Please don't hesitate to share them with us.

Thanks for choosing TMA - enjoy the catalogue!

Cher client,

Nous avons tout inclus à partir du milieu de l'année 2023, mais nous ne nous arrêtons pas là. Comme toujours, nous ajoutons de nouveaux produits ; n'oubliez donc pas de consulter notre site web, en particulier la section "nouveaux produits".

Enfin, nous aimerions mentionner que nous aimons recevoir vos commentaires. Si vous avez des idées de produits que vous aimeriez nous voir proposer ou des suggestions d'expansion, nous sommes à votre écoute ! N'hésitez pas à nous en faire part.

Merci d'avoir choisi TMA - bonne lecture!
